

HUNT FOR HOME GROWN

MARKET SCAVENGER HUNT

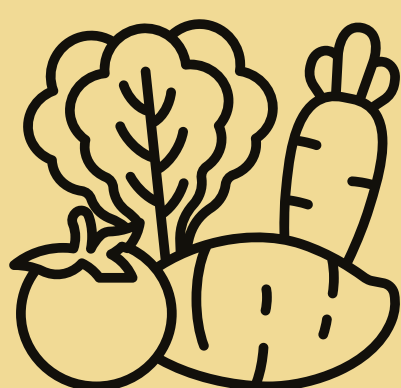

Welcome to the market!

Did you know *every meal* has a story?

From the fresh fruits and vegetables on your plate to the grains, meat and dairy produced across the province, Ontario farmers work hard to grow the food that nourishes our families and communities.

Nearly 50,000
farms across the province

200
fruits, flowers, vegetables,
grains & livestock grown in
Ontario

\$50.7B
of economic activity to the
provincial economy
